...

Government in G.O. No. 2365 Food and Agriculture dated 10-12-1951, have ordered the recovery of the balance of cost of the oil engine viz. Rs. 2560/-. due from Sri G.Veera Reddy of Bellary, in five equal annual instalments payable every year on the 31st March with 4 per cent interest. The Accountant General, Madras has requested me whether the interest of 4% due on the outstanding amount to be recovered from party, is to be charged from the date (5) sale. The engine was sold to party on 21-12-1946, and I feel it is unreasonable to charge interest on the outstanding amount from the date of sale of the unit. The Government Pleader who has now prescribed the form of agreement bond to be executed by party has also suggested the recovery of interest from the date of sale of the unit to party. As the outstanding amount due from the party is to be recovered in five equal annual instalments, payable every year by 31st March, I propose to equate the payments in five instalments on the amount due with 4 per cent interest, first instalment falling due on 31-3-1952.

I request that my action may be approved and orders communi -cated to me.

Ref:- Food and Agriculture Department Memo No. 14882-M/52-2, dated 22-4-1952.

The amount of Rs.2560/- due from Sri G.Veera Reddy of Bellary has been equated in five equal annual instalments with 4 percent interest, the first instalment being due before 31-3-1952, as is contemplated in the draft agreement form prescribed by the Government Pleader, Madras (Extract enclosed for information). Agreeing with this suggestion, the District Agricultural Officer, Bellary has been asked to execute the agreement bond accordingly and effect recovery of the equated amount of Rs.575-0-9, which was due before 31-3-52. Being the 1st instalment, the District Agricultural Officer has been asked to recover the amount before 15-5-1952. The other four instalments due, are recoverable before 31st March of the four succeeding years.

I invite reference to my letter No.S.2.623-51 dated 4-4-52. The Government Pleader, Madras who prescribed the draft form of agreement in this case has not suggested the recovery of interest from the date of sale of the engine. The word 'not' has been omitted by mistake in my letter No.S2-623-51 dated 4-4-52 in fair copying. I invite reference to the extract of the agreement form suggested by the Government Pleader, enclosed along with my letter No.S2-623-51 dated 10-5-1952. It does not appear to be the intention of Government Pleader to charge interest from the date of sale of the unit. The idea is to equate the payments in five instalments compounded of principal and interest, the first instalment of such payments being due on 31-3-1952 and the other four instalments on the succeeding years. The sum of Rs.575-0-9 has been arrived at on the basis of the formula applied for recovery of payments from parties who are given engines on hire purchase system for a period of five years.
